Bay Lakes

An aerial photograph showing a large, irregularly shaped lake (Jones Lake) in the lower right and a smaller, more circular lake in the upper left. The surrounding area is densely forested with green trees. Several dirt roads or paths are visible, winding through the forest. The overall scene is a natural, wooded landscape.

Lake Waccamaw

A photograph of Lake Waccamaw. A long wooden pier extends from the left side of the frame into the water. At the end of the pier is a covered pavilion with a dark roof and several people standing on it. The water is very calm, creating a clear reflection of the pier and the pavilion. The sky is a clear, light blue. In the bottom left corner, the year '1975' is written in yellow.
