

# New River State Park

## RiverBend Campsites

Primitive canoe-in only camping is available approximately 1.25-miles down river from Wagoner access. No vehicle access is available. The campsites are by reservation only, small campfires are permitted only in the provided rock fire-rings and campers are required to pack out all trash. There are no toilet facilities at the campsites. Campers are required to dig at least an 8 inch deep cat hole to dispose of waste and pack out used toilet paper. Remove boats from water.
